Dear Sir:

In reference to playing a game in the Newport News Baseball Park April 12th, wish to advise that I wrote Mr. Roy Mack regarding same, and he advised me to notify you that we were getting the field in shape and will not book any game until after May 15th.

Kindly get in touch with us after the above mentioned date, and we will advise you if there is a date open that you can play a game.

Very truly yours,

Alfred M. Monfalcone

President
